- Build relationships
- Drive leads

Text ads

- Drive the right traffic to you
- Generate quality leads
- Pay-per-click or pay-per-impression

Sponsored InMail

- Send targeted messages directly to the people who matter most to your business

Tips for Advertising on LinkedIn

- Create compelling content
  - Words that catch attention
  - Give people a reason to click (free trail, demo)
  - Strong CTA (Try, download, sign up)
  - Use relevant images
- Short, relevant, authentic and value orientated
- Target the right audience and think about it
- What your language and the bid (CPC or CPM)

Tips for Advertising on LinkedIn

Remember the limit

- LinkedIn text ad headline: 25 character limit
- LinkedIn text ad message body: 75 character limit
- LinkedIn direct sponsored content: 160 character limit

B2B Facebook

- What does organic content look like on Facebook?
- What engagement are we looking for?
- Structure of our page – consider a service

B2B Facebook

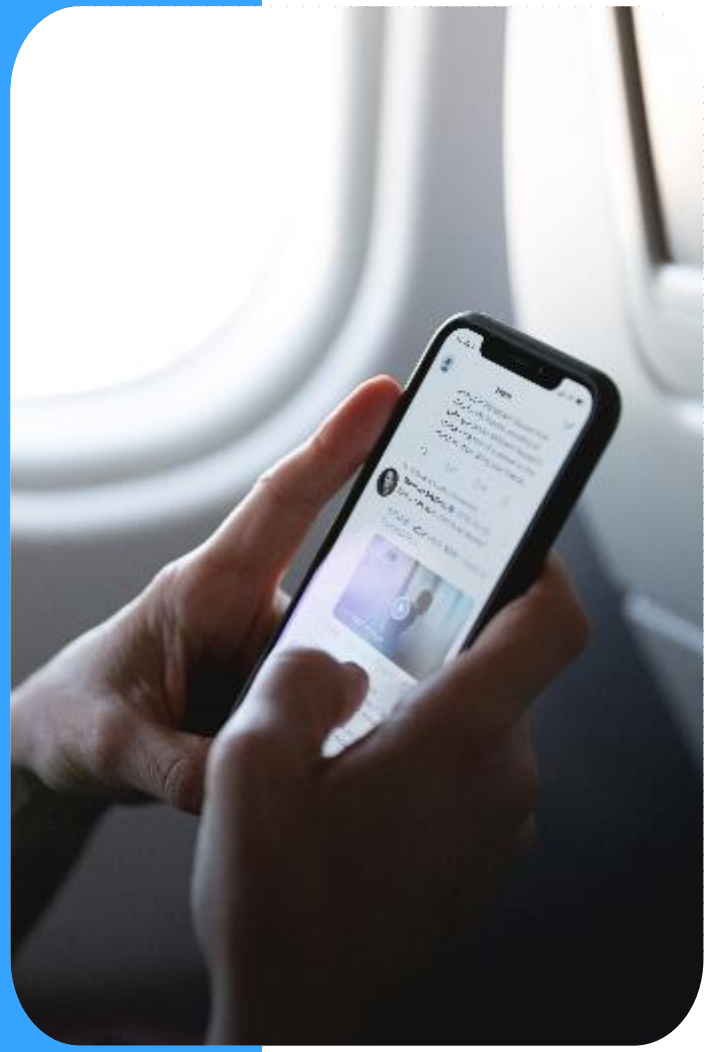
- Lead ads as a fundamental
- Wider marketing efforts
- What do we need to offer?

B2B Facebook Tips

- Strong understanding of your audience
- Global vs local
- Optimise your social profiles
- Call-to-Action
- Drive people to opt-in
- Connect through videos
- Ask questions and survey your audience

B2B Twitter

- Structure of content
- Information
- Customer engagement

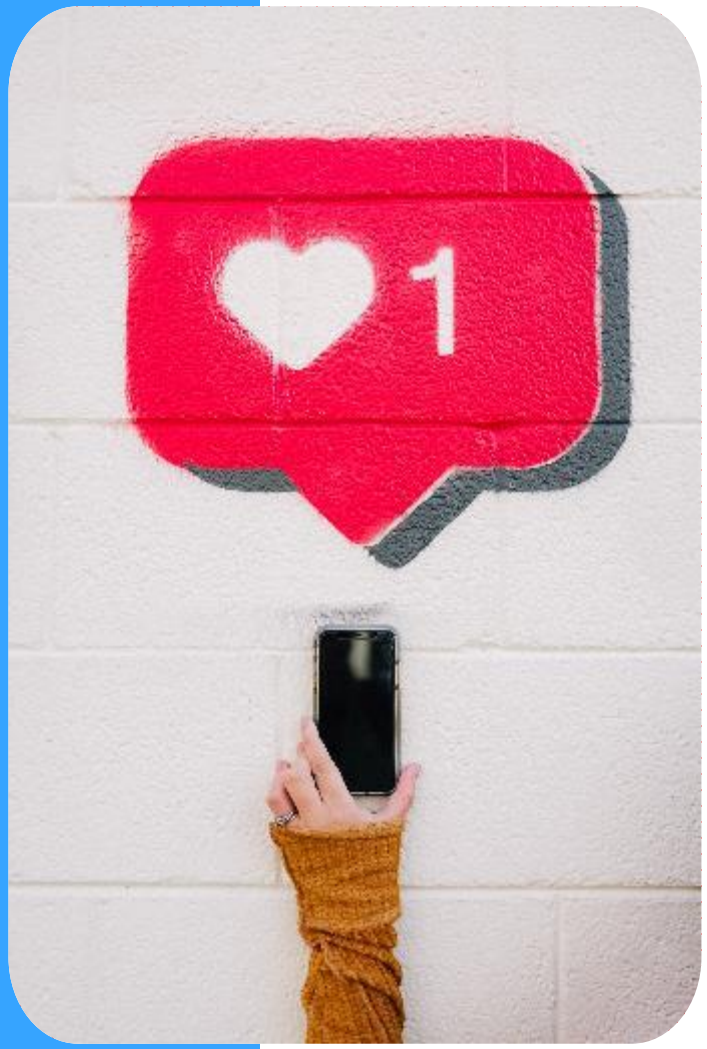


B2B Twitter Tips

- Give your brand some personality
- Listen before you Tweet
- Make a good impression
- Become the conversation starter and push it
- Drive traffic to your content
- Engage
- Establish your company as an authority

B2B Instagram

- Storytelling
- Connecting with customers
- Behind the scenes
- Descriptions are key



B2B Instagram Tips

- Share sneak peak photos about company updates
- Vids with quick demonstration
- Tell your company story
- Encourage click-through
- Actively engage
  - Mention other users
  - Search relevant accounts
  - Comment and like other peoples posts

Strategy for B2B

- What is important for B2B but not B2C?
    - Buyer personas
    - Content should still be shareable and relatable, with a professional tone in mind
    - Sales cycle
- How does engagement vary?
- How does our audience impact us?
