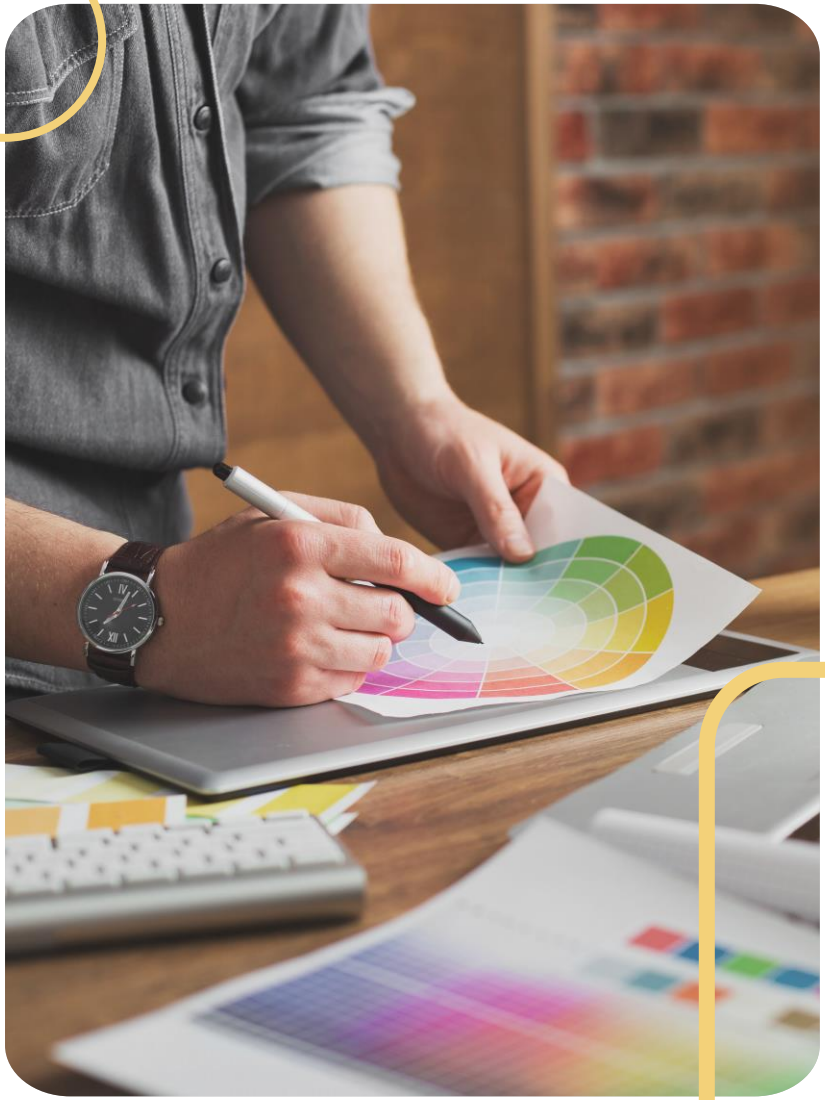
Graphic Design

Résumé creation



Lesson Objectives

- Identify the foundation of a design résumé
- Gathering the most important info
- Designing an infographic résumé

Identifying the foundation of a design résumés

What is a résumé?

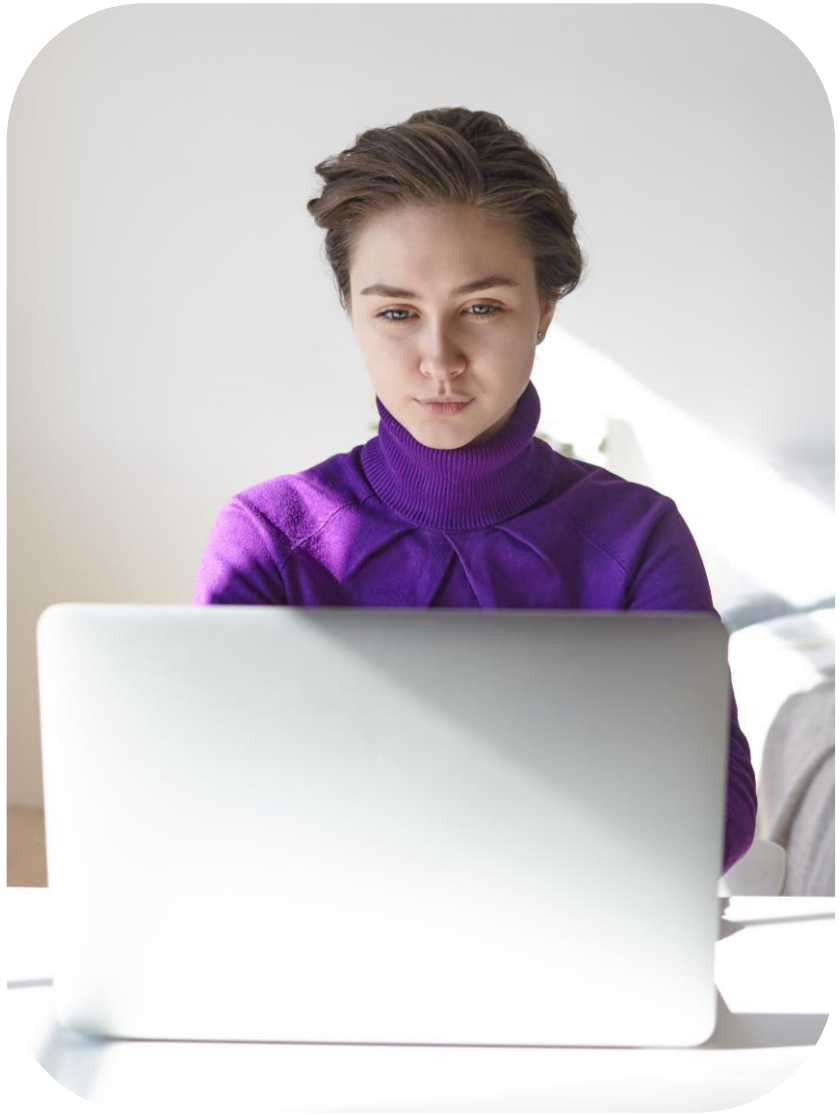
- Showcase your skills and achievements
- Secure employment
- Usually one or two pages

The foundation of an effective résumé

- Keep it simple
- Use a summary statement
- Spotlight key skills
- Put your latest experiences first

The foundation of an effective résumé

- Break it down
- Consider adding volunteer experience
- Quantify your results
- Don’t seem desperate



Top résumé design tips

- Use a complementary font
- Set even and generous margins
- Use consistent line spacing (leading)
- Have clear section headings

Top résumé design tips

- Have sufficient white space
- Make use of clean, simplistic graphics
- Stick to one page (if possible)

Did you know?

Leonardo da Vinci is credited for the first résumé written in around 1481.

Résumé is French for summary.

Introductory paragraph

Study the job description first to understand the role of the position.

Write your introductory paragraph in line with the job description.

Education

List the schools you attended, your qualifications and any special awards you have earned.

This section of your résumé should fit your current circumstances.
