

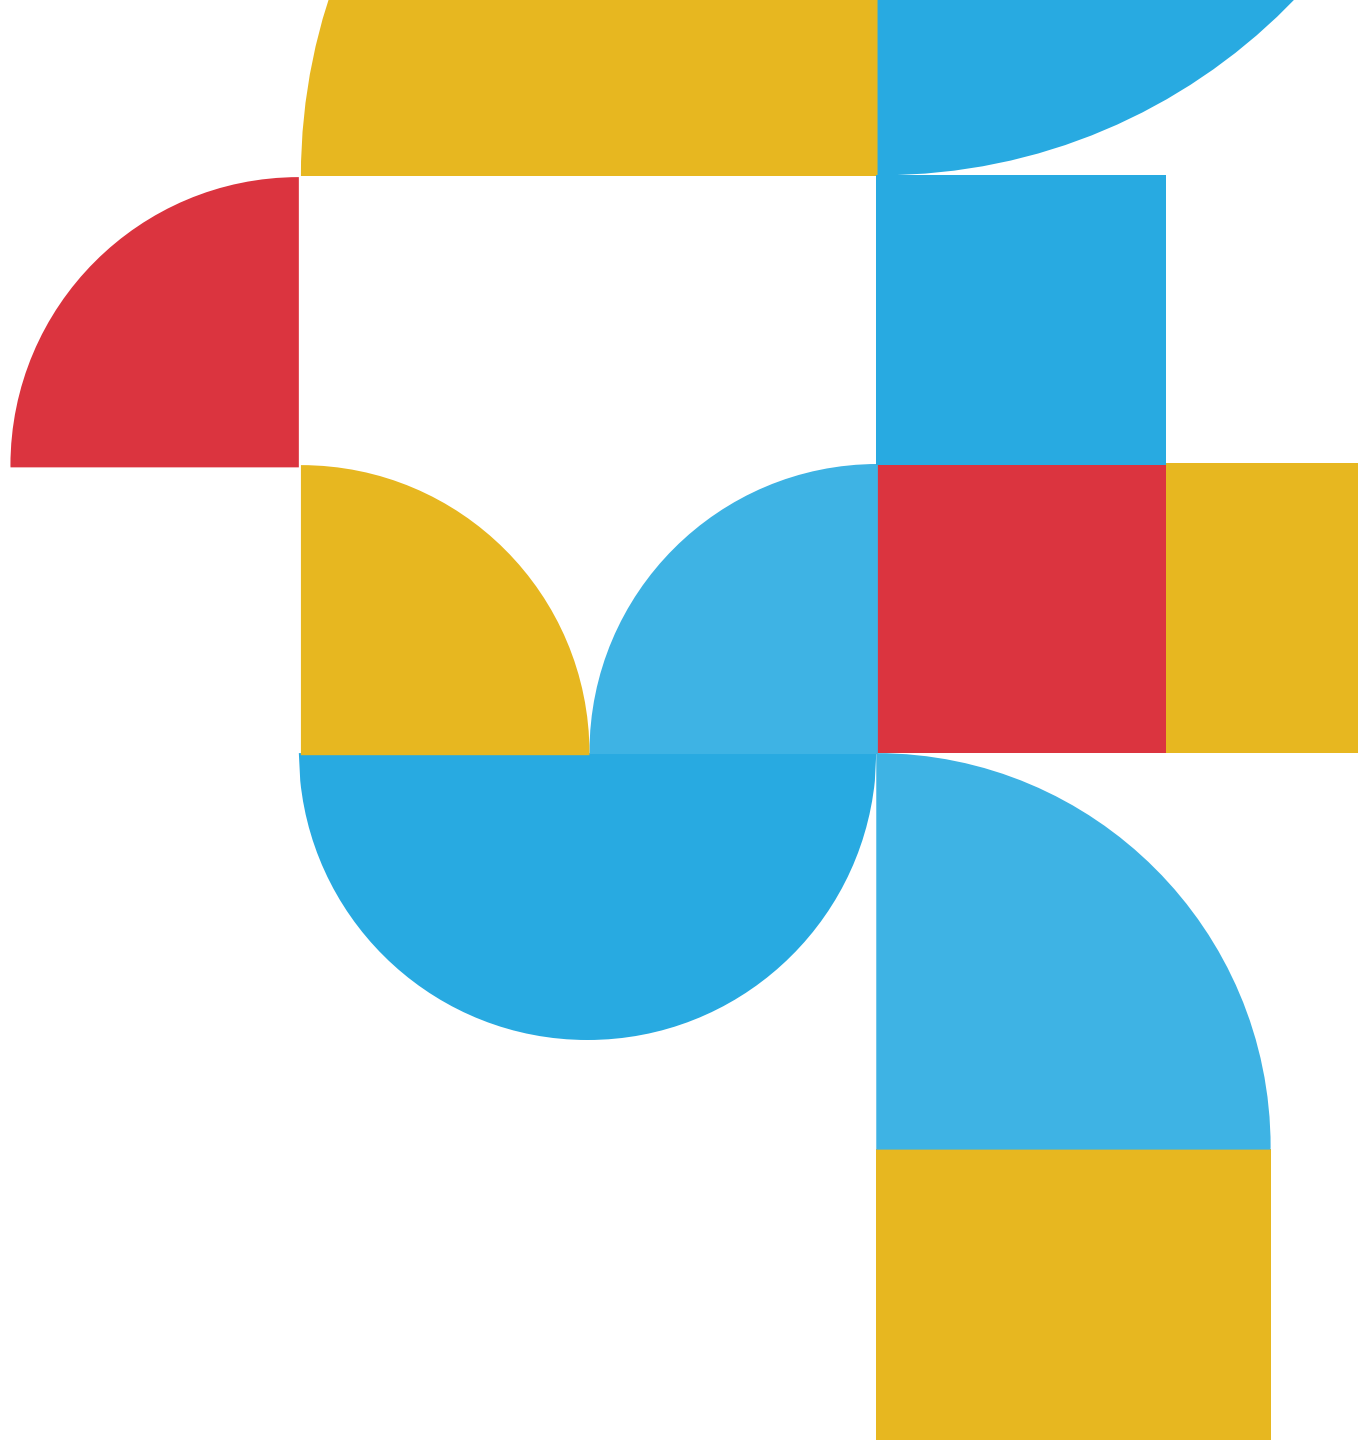

GRAPHIC

DESIGN

Lesson Objectives

Define visual communication

Identify the elements of design

Determine the origin of design

Distinguish between the different design careers

Outline basic tips for effective design

Bonus: Introduction to Adobe Illustrator

Equipment needed for this course

- ◆ Laptop or desktop computer
- ◆ CPU: Intel Core i5 or i7
- ◆ Display: 15 inches @ 1440 x 900 pixels (minimum)
- ◆ RAM: 8 GB min (16 GB is better)
- ◆ Storage: at least 250GB
- ◆ Adobe Software

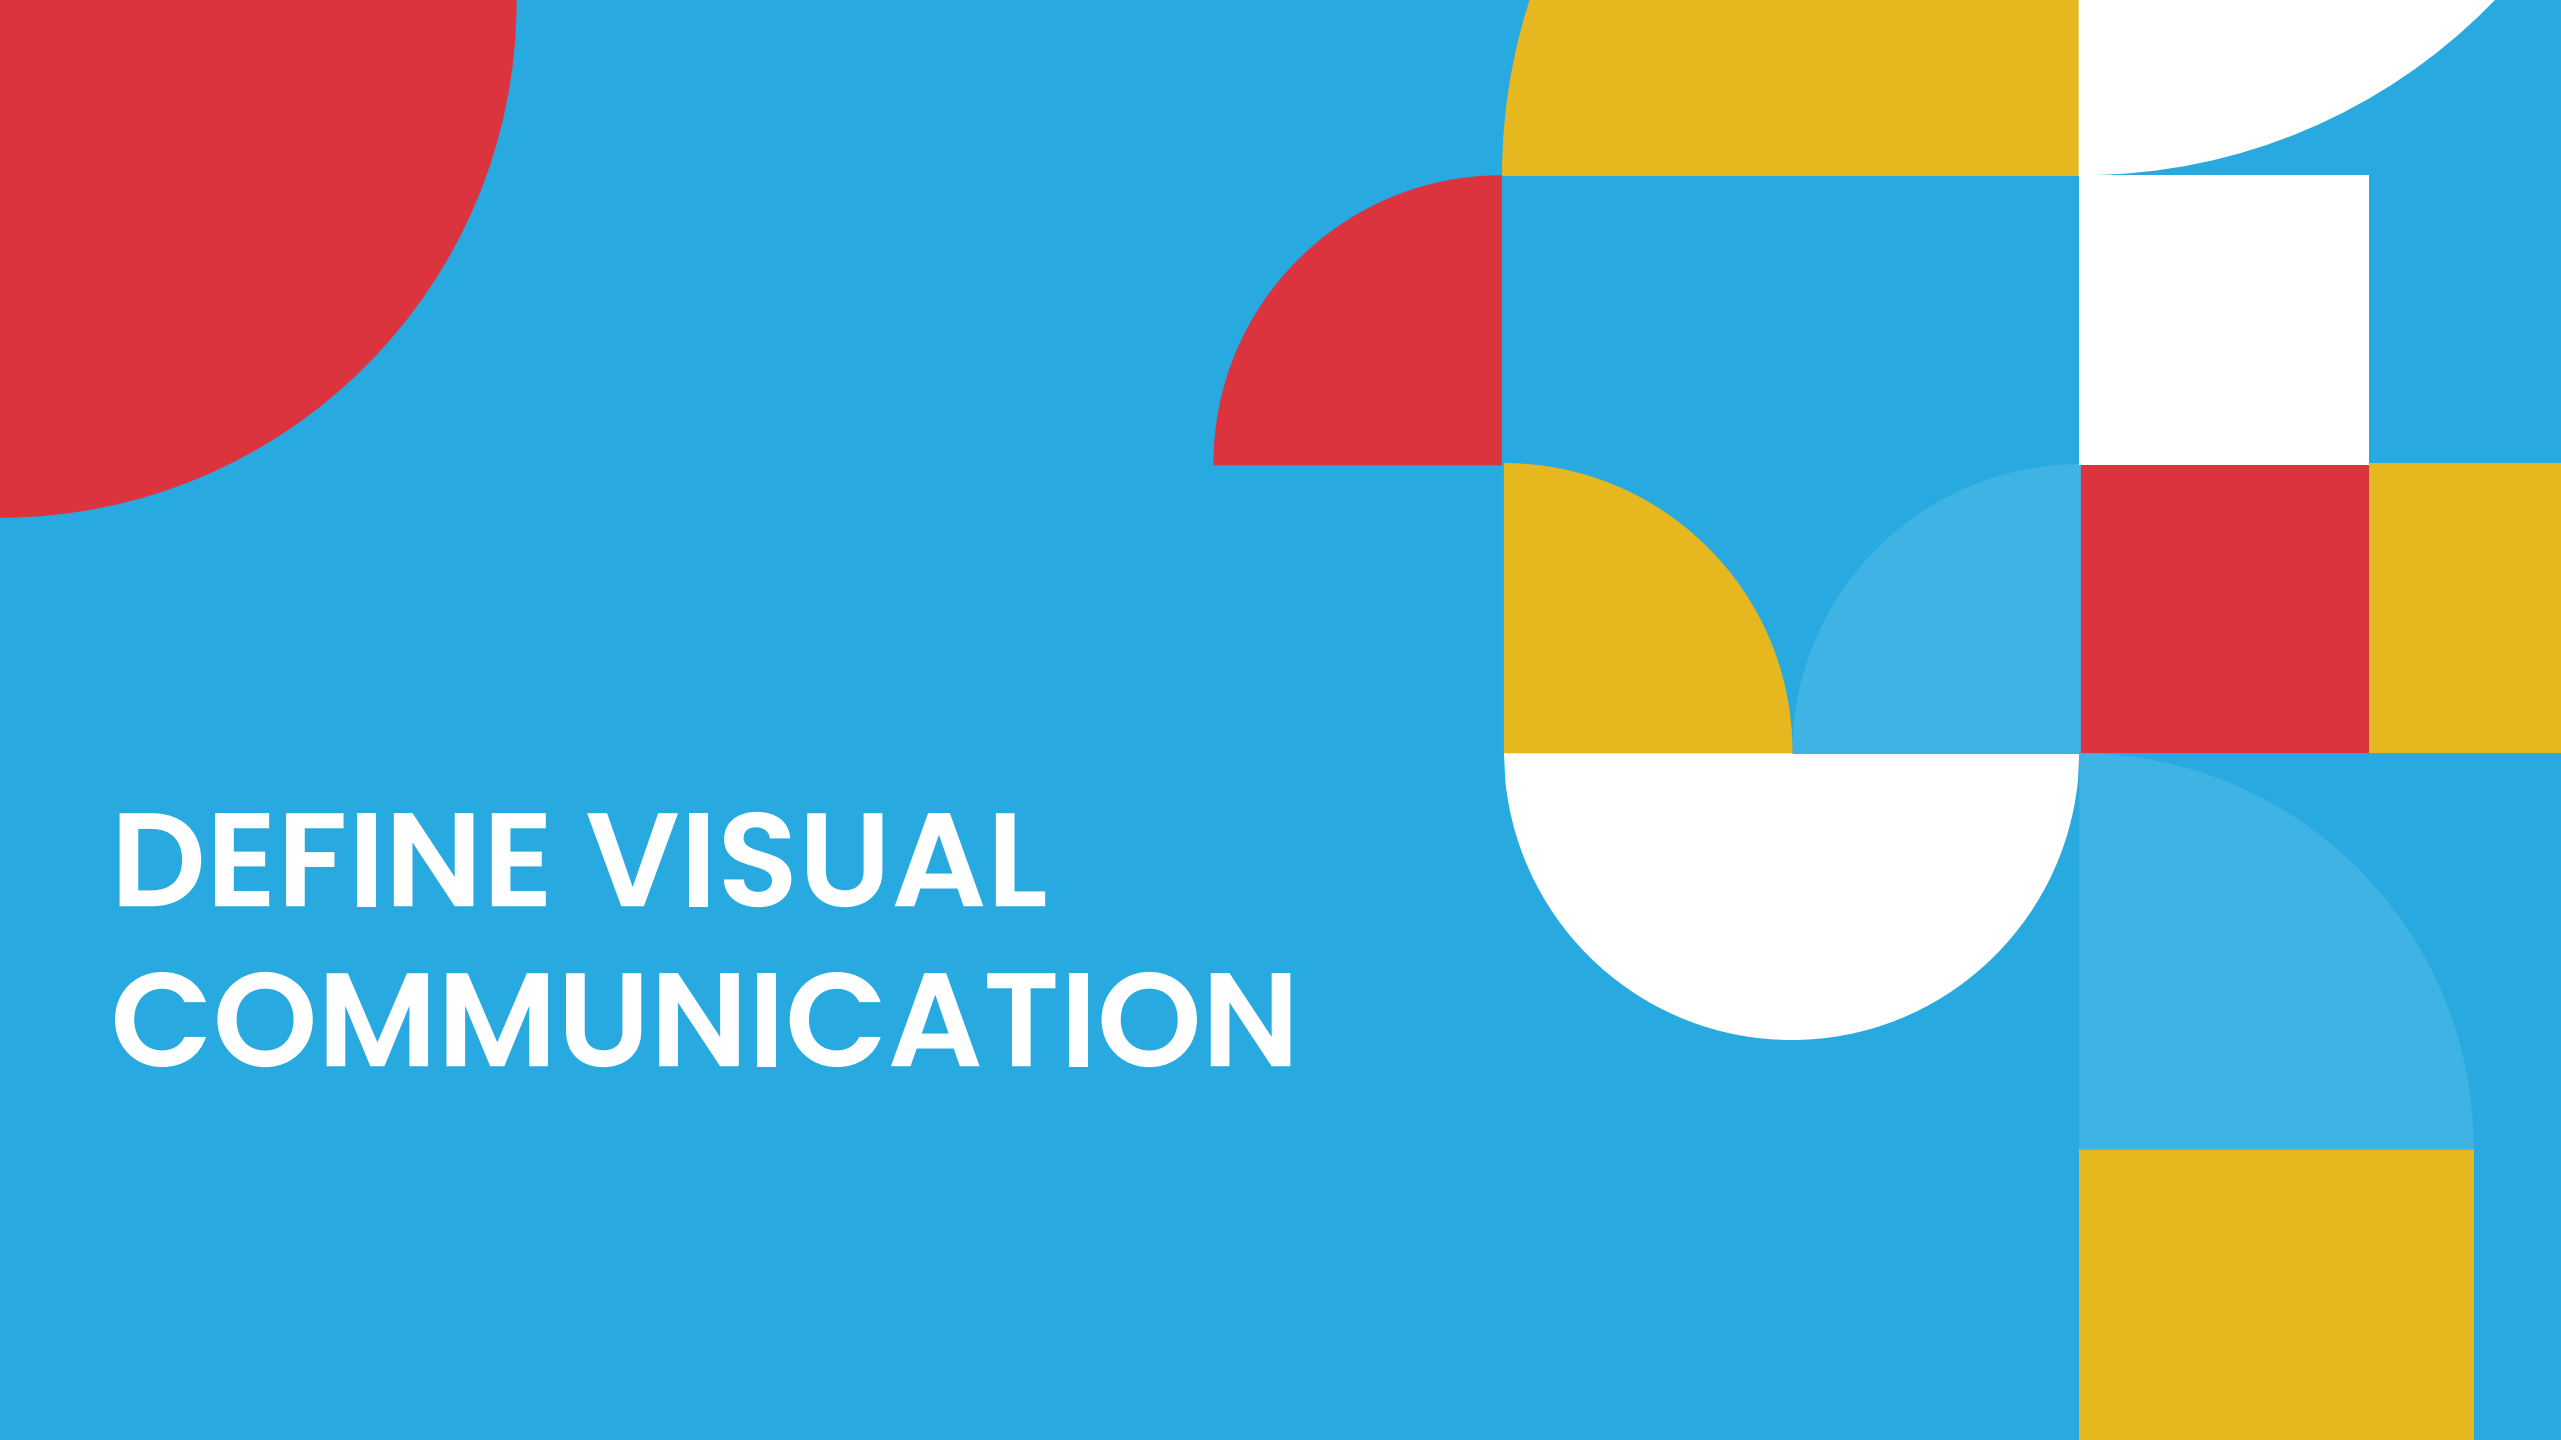

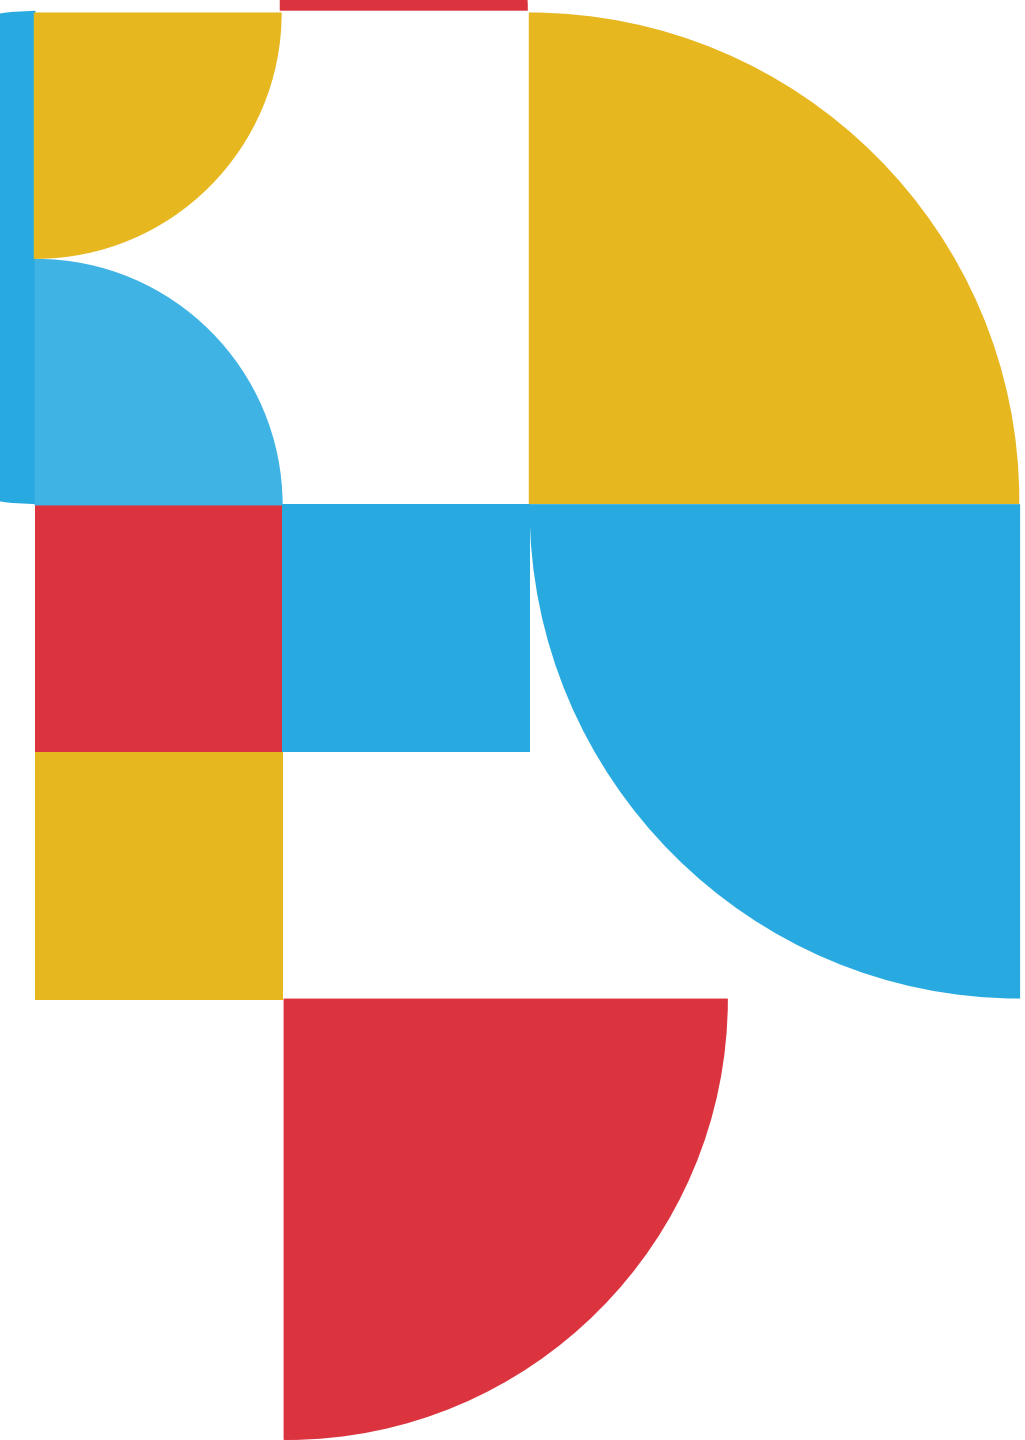

GRAPHIC DESIGN

What is graphic design?

DEFINE VISUAL COMMUNICATION

Graphic design is

A form of visual communication ◆

Illustrations ◆

Typography (text) ◆

Photographs ◆

DID YOU KNOW?

The graphic design industry unveils numerous opportunities for self-employment?

You can make an income from the comfort of your home or anywhere you prefer!

GRAPHIC DESIGN

Helps to solve a problem

Communicates effectively

Good design is transparent

THE ROLE OF DESIGN

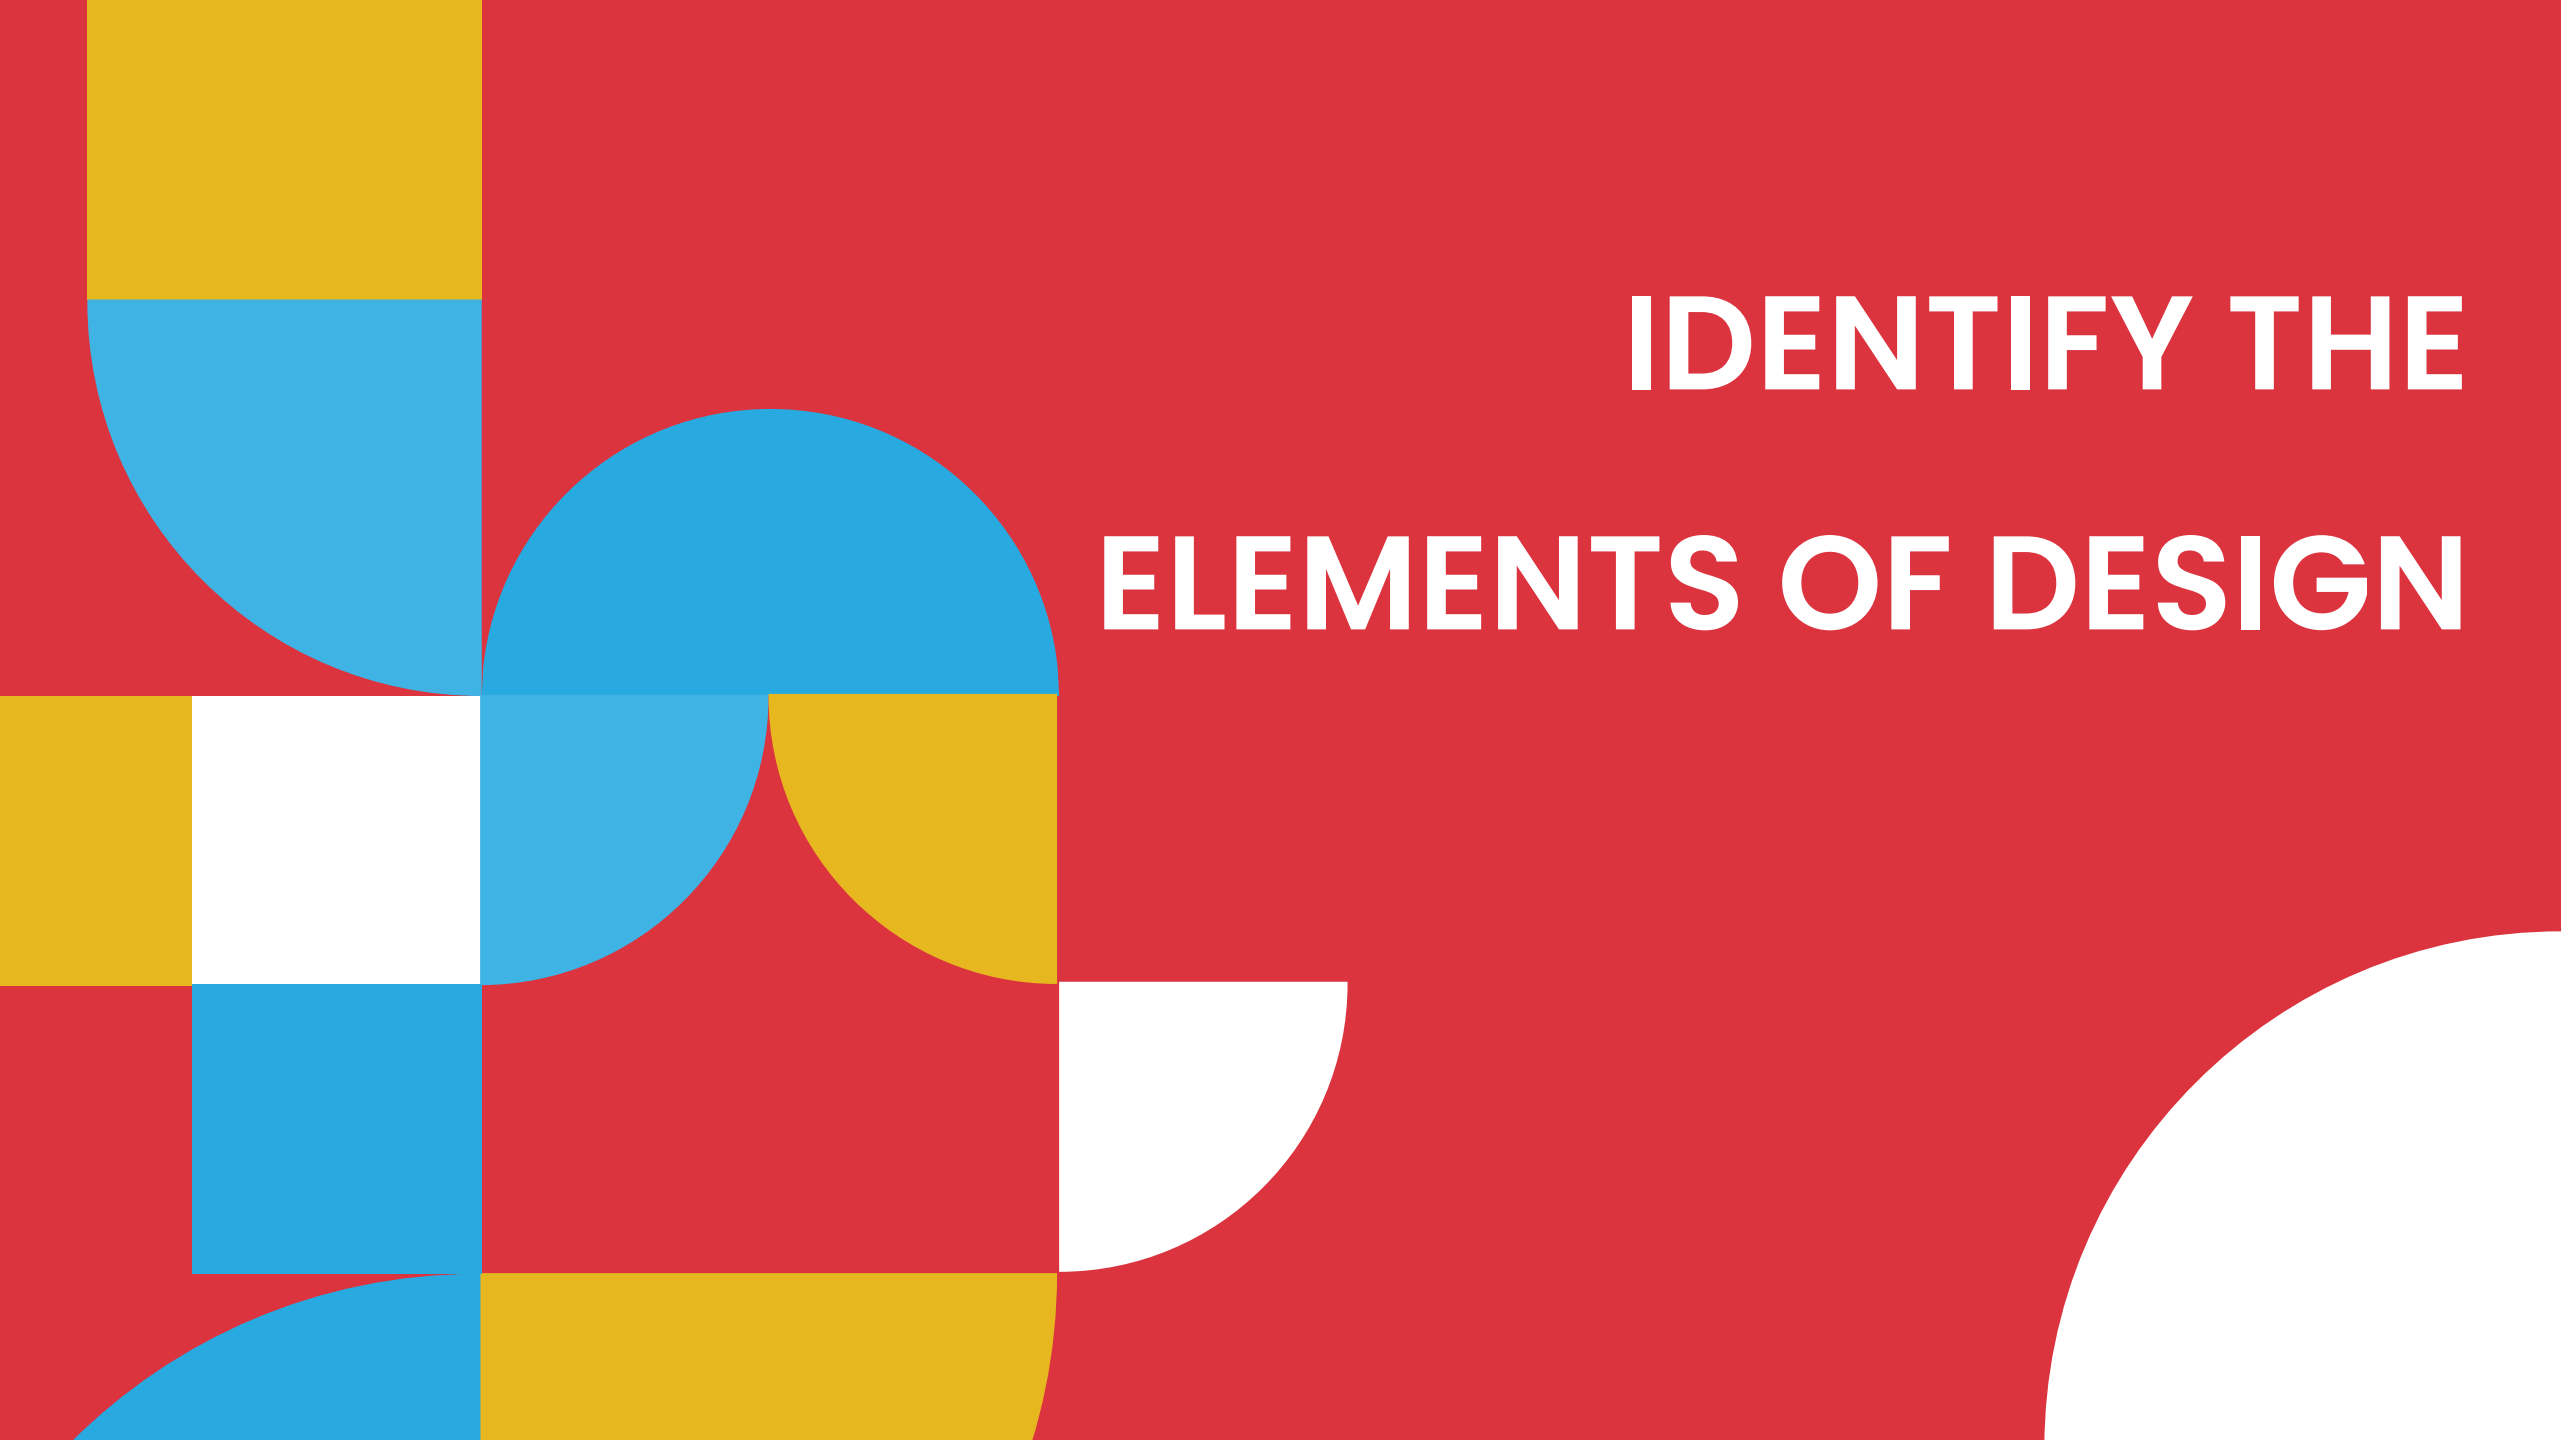

It's more than simply being artistic

Communicates a message effectively

It is universal and can be understood by most

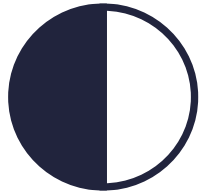

An abstract geometric composition on a red background. It features a central grid of squares in yellow, blue, and white, with semi-circles and quarter-circles of the same colors extending from the grid edges. A large white semi-circle is positioned in the bottom right corner. The text 'IDENTIFY THE ELEMENTS OF DESIGN' is written in white, bold, sans-serif capital letters on the right side.

What do you need in order to become a graphic designer?

Adobe Illustrator

Vector-based

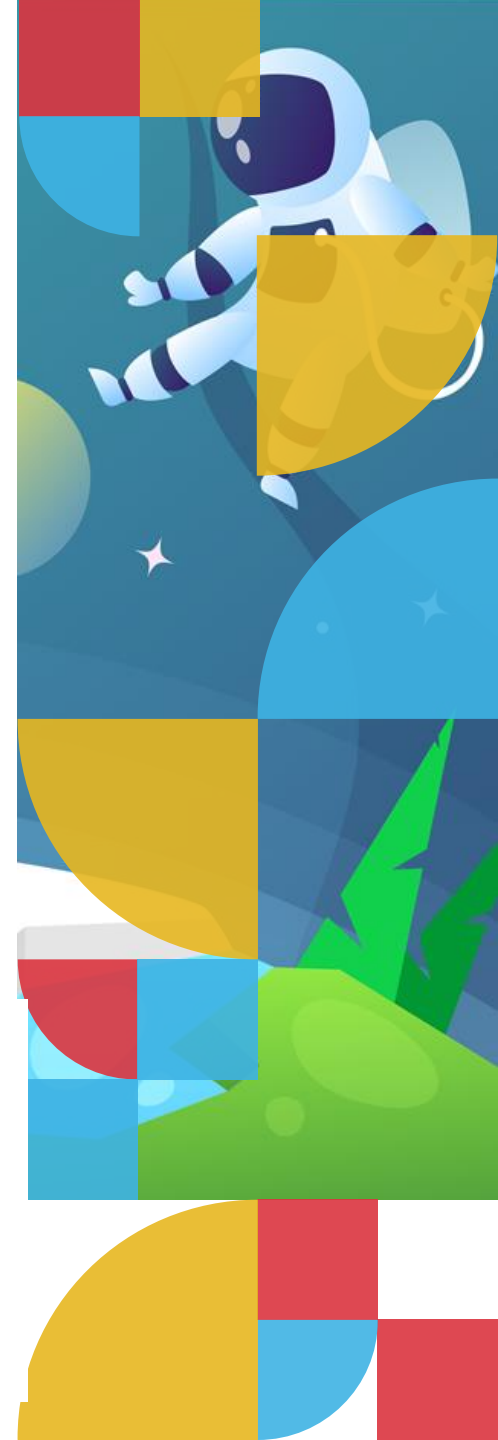

Vectors don't lose quality

Digital illustrations

Small file size

Adobe Photoshop

Photo manipulation

Raster-based image editor

Consisting of pixels (tiny single coloured squares)

Adobe InDesign

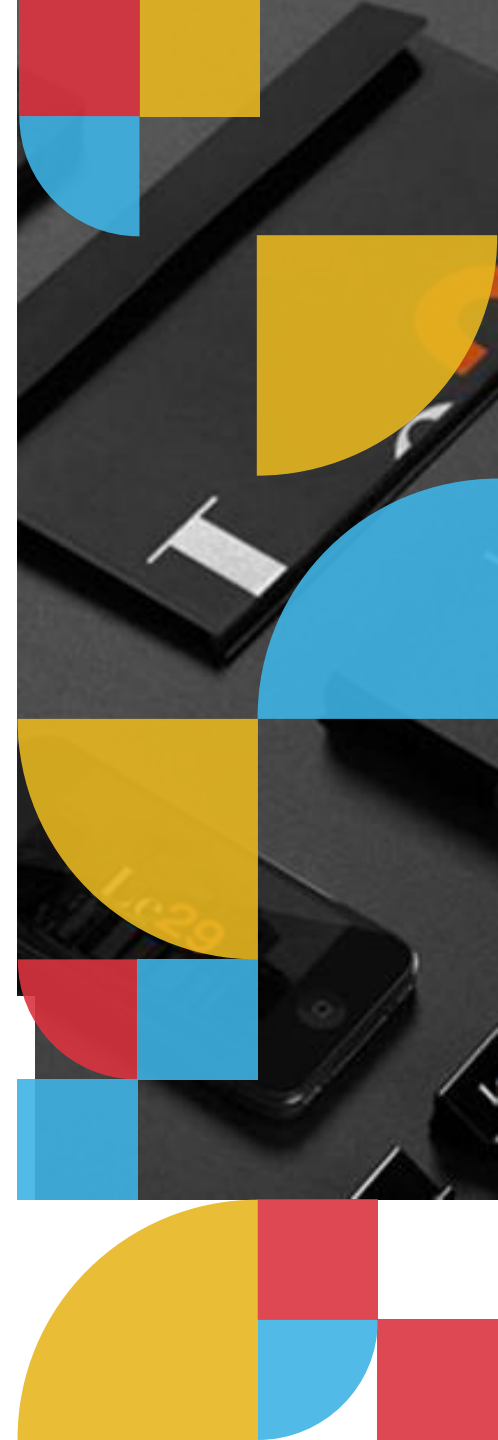

Layout editor

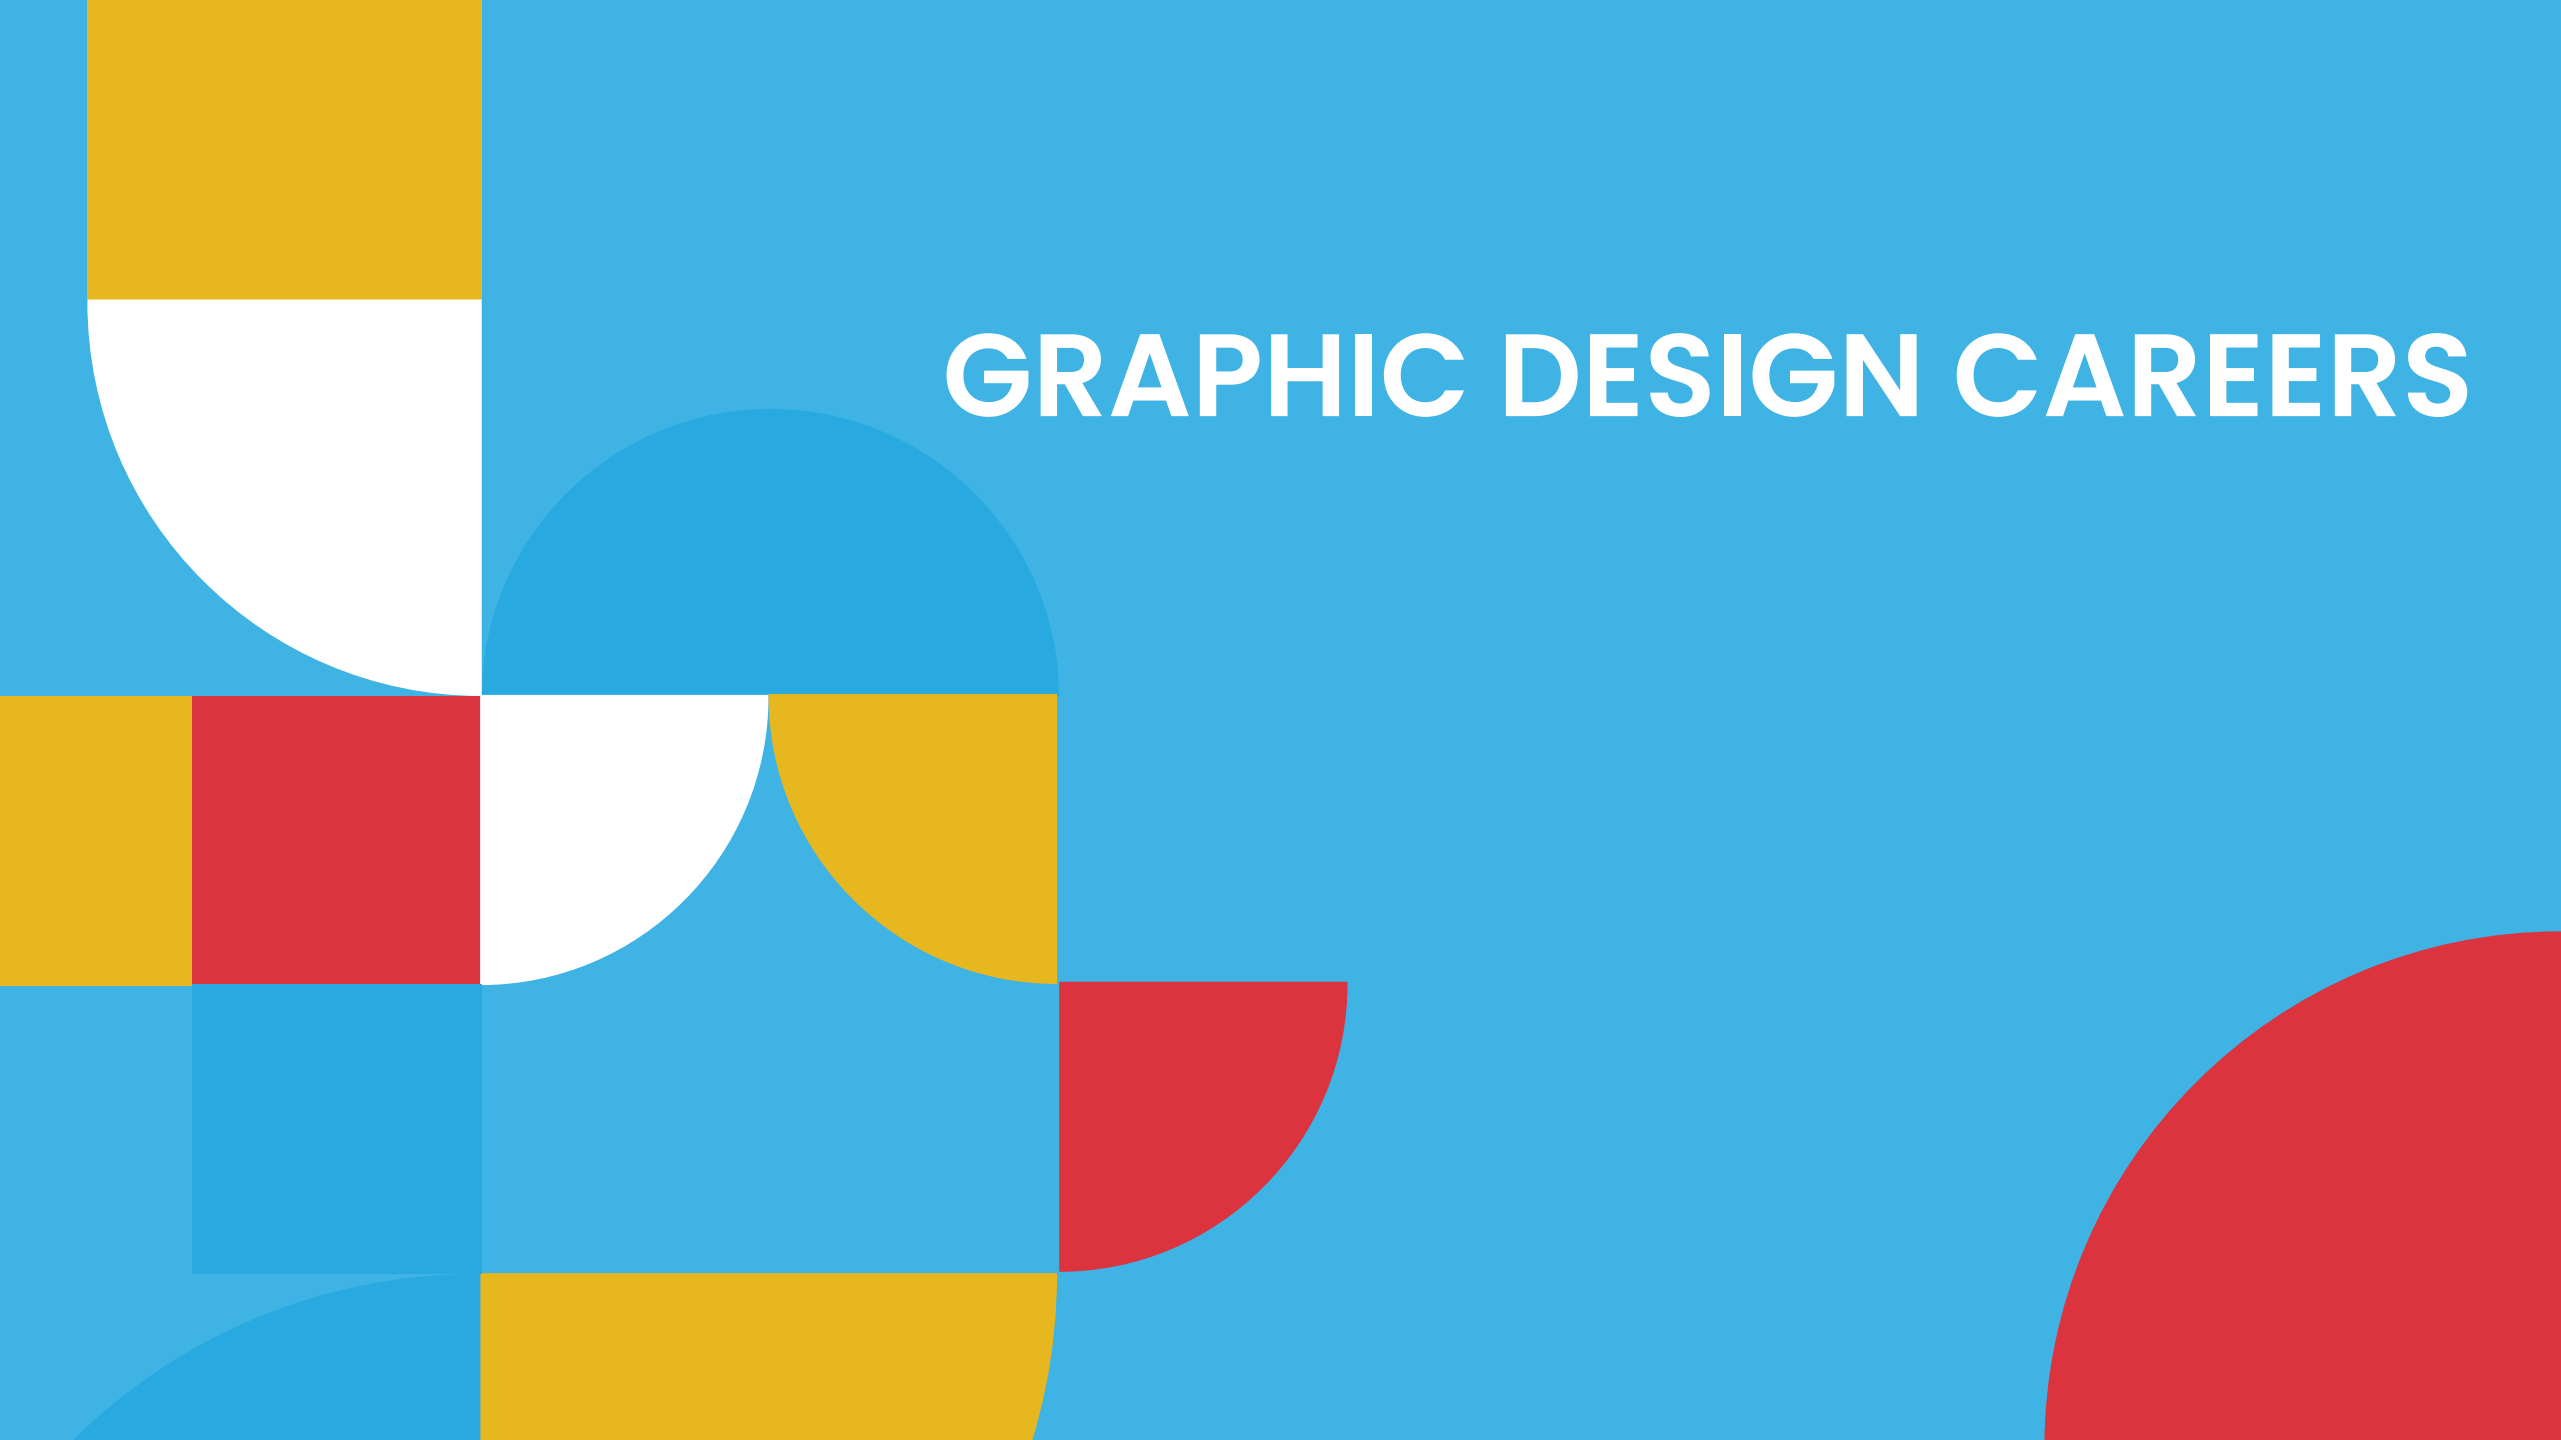

Combines Illustrator & Photoshop designs

Creates user-friendly interactive documents & PDFs

An abstract graphic design featuring a light blue background. On the left side, there is a vertical arrangement of shapes: a yellow rectangle at the top, followed by a white quarter-circle, a yellow rectangle, a red rectangle, a white quarter-circle, a yellow rectangle, and a blue rectangle at the bottom. To the right of these rectangles, there are several circular and semi-circular shapes in blue and red. A large red semi-circle is visible in the bottom right corner. The text 'GRAPHIC DESIGN CAREERS' is written in white, bold, uppercase letters across the upper right portion of the image.

An abstract graphic design featuring a red background. On the left side, there is a complex arrangement of geometric shapes: a yellow rectangle at the top left, a blue quarter-circle below it, a yellow rectangle to the left of a white square, a blue square below the white square, a blue semi-circle at the bottom left, and a yellow semi-circle at the bottom center. A large blue semi-circle is positioned in the upper middle, overlapping the yellow semi-circle below it. To the right of the yellow semi-circle is a white quarter-circle. In the bottom right corner, a large white semi-circle is partially visible. The text 'GRAPHIC DESIGN TIPS' is written in white, bold, sans-serif capital letters in the upper right area.

GRAPHIC DESIGN TIPS

Don't use too many typefaces

- Use only two typefaces
- One interesting, related typeface for headings
- The second typeface should be transparent

TOO MANY TYPEFACES

Use only two typefaces

One interesting, related typeface for headings

The second typeface should be transparent

Don't be scared of white space

Don't fill empty spaces

Make your empty spaces
part of your design

It helps create emphasis

Don't be scared of white space

Don't fill empty spaces ■

Make empty spaces part of your design ■

Avoid warped images

- Don't warp or distort your images
- Use SHIFT or CONTROL (COMMAND for Mac) to avoid distortion

Avoid pixelation

- Low quality image ■
- Use an alternative high quality
image instead
- Use free stock image websites like ■
Pixabay or Freepik

Contrast is key

The background is a solid mustard yellow. In the top-left corner, a large red semi-circle is partially visible. On the right side, there is a complex arrangement of geometric shapes: a red semi-circle, a white semi-circle, and a blue semi-circle are positioned near the top. Below these, there is a grid of squares in blue, red, and white, some of which are partially cut off by the edge of the frame. A large blue semi-circle is also visible in the lower right quadrant.

HELLO ILLUSTRATOR!

Challenge

- Take a photo of your surroundings
- Identify all and any forms of graphic design
- Indicate the amount of graphic design forms you were able to identify
- Share to social media using *#identifygraphicdesign*
