Advanced Layers & Masking

Dodge & Burn

Non-destructive Dodge & Burn

- Create a new layer from layer tab or by holding alt and pressing new layer icon.
- Change drop down option to overlay
- Tick the box for “fill with overlay-neutral colour 50% gray”
- Use dodge and burn tool on new layer for non destructive Dodge and Burn

Advanced Layers & Masking

Double Exposure

Shadows

Shadows

- Gradient Tool – G
- Set gradient to black or slight colour
- Make gradient go to transparent
- Make gradient radial
- Create new layer
- Add gradient
- Transform gradient
- Arrange layers

ADP Challenge

Double Exposure

#ADPChallenge

You have been tasked to create a dynamic Double Exposure. When complete post on Facebook with #ADPChallenge

Open any images you want in Photoshop
> use layers, selections and masking.

Remember Black is used conceal and
White is used to reveal.

To see all of the work from your fellow
students just search #ADPChallenge
