LESSON 6

DID

YOU KNOW?

Tired of being airbrushed for magazine covers (like this 2013 example) Kate Winslet has a ‘No retouching’ clause in her modelling contract. Unfortunately it is now rare that you will see an untouched magazine cover but things are slowly changing!

Are you guilty of retouching a photo of yourself?

Blemish V Characteristics

Blemish

A Blemish is a part of our image we would not like to be shown. In re-touching these are generally skin blemishes but can include obstructive objects in out images. In a professional manner we must make sure not to confuse blemishes with characteristics.

List of Blemishes

Pimples, Spots, Acne

Stray Hairs
