LinkedIn Advertising

- Why do we advertise on LinkedIn?
- Is LinkedIn still part of your strategy?
- What are we trying to achieve with LinkedIn?
- What are they key components of LinkedIn advertising?
- What is the direction – where is the landing page?
- How does the visual impact on the ad?

Choose from self-service ads or managed campaigns

- Self service Ads (Campaign manager)
  - Sponsored content
  - Text Ads
  - Sponsored InMail
- Managed campaign (Sale Solution)
  - Display ads
  - Dynamic ads
  - Account targeting

Campaign manager ads

Sponsored content

Raise awareness with native ads

Build relationships

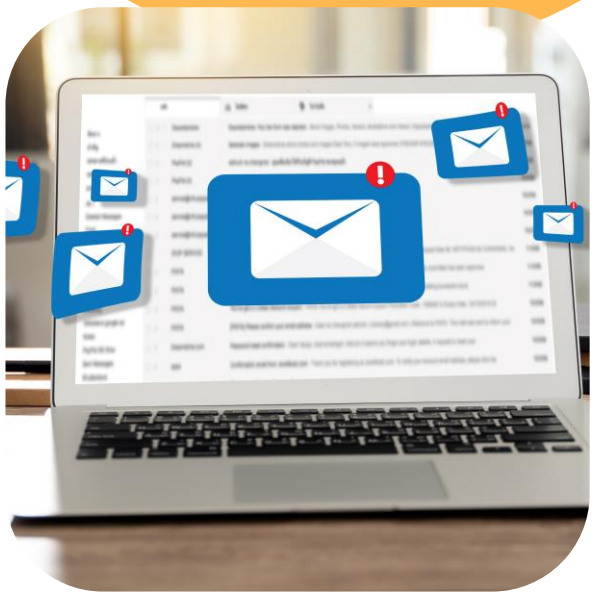
Drive leads

Text ads

Drive the right traffic to you

Generate quality leads

Pay-per-click or pay-per-impression

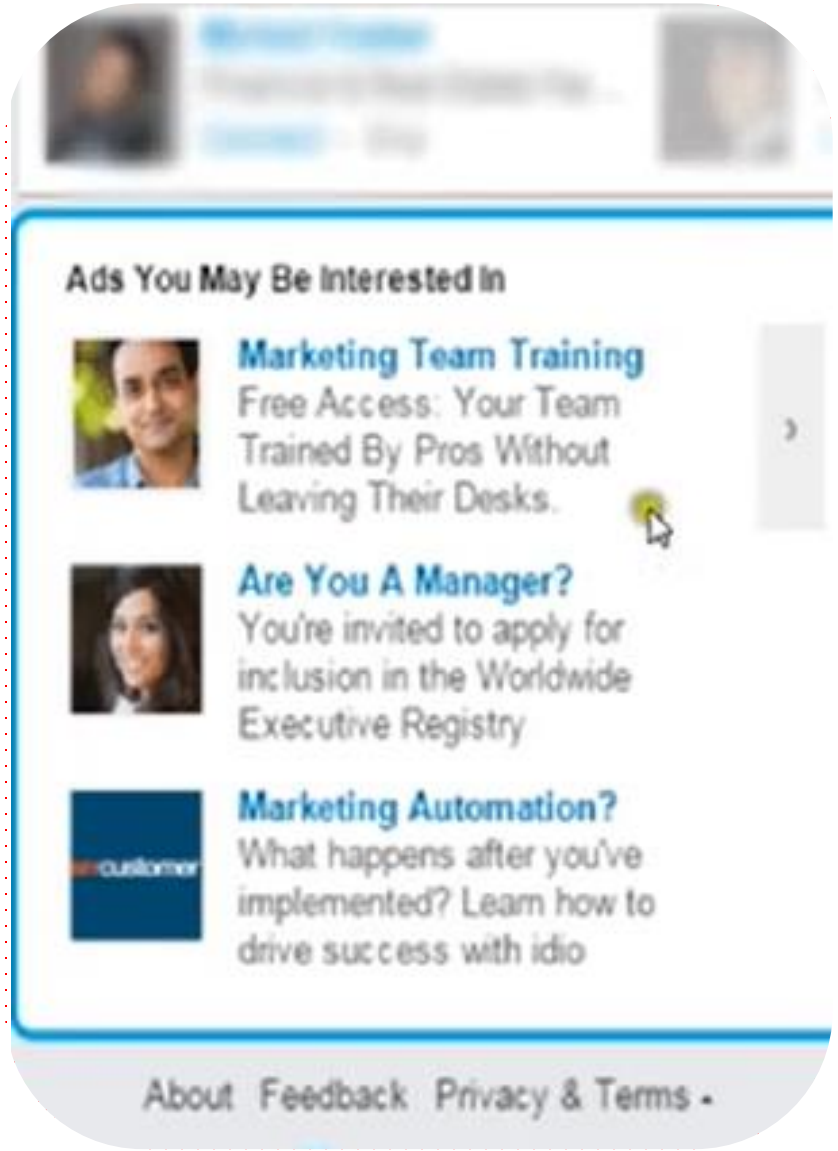


Sponsored InMail

Send targeted messages directly to the people who matter most to your business

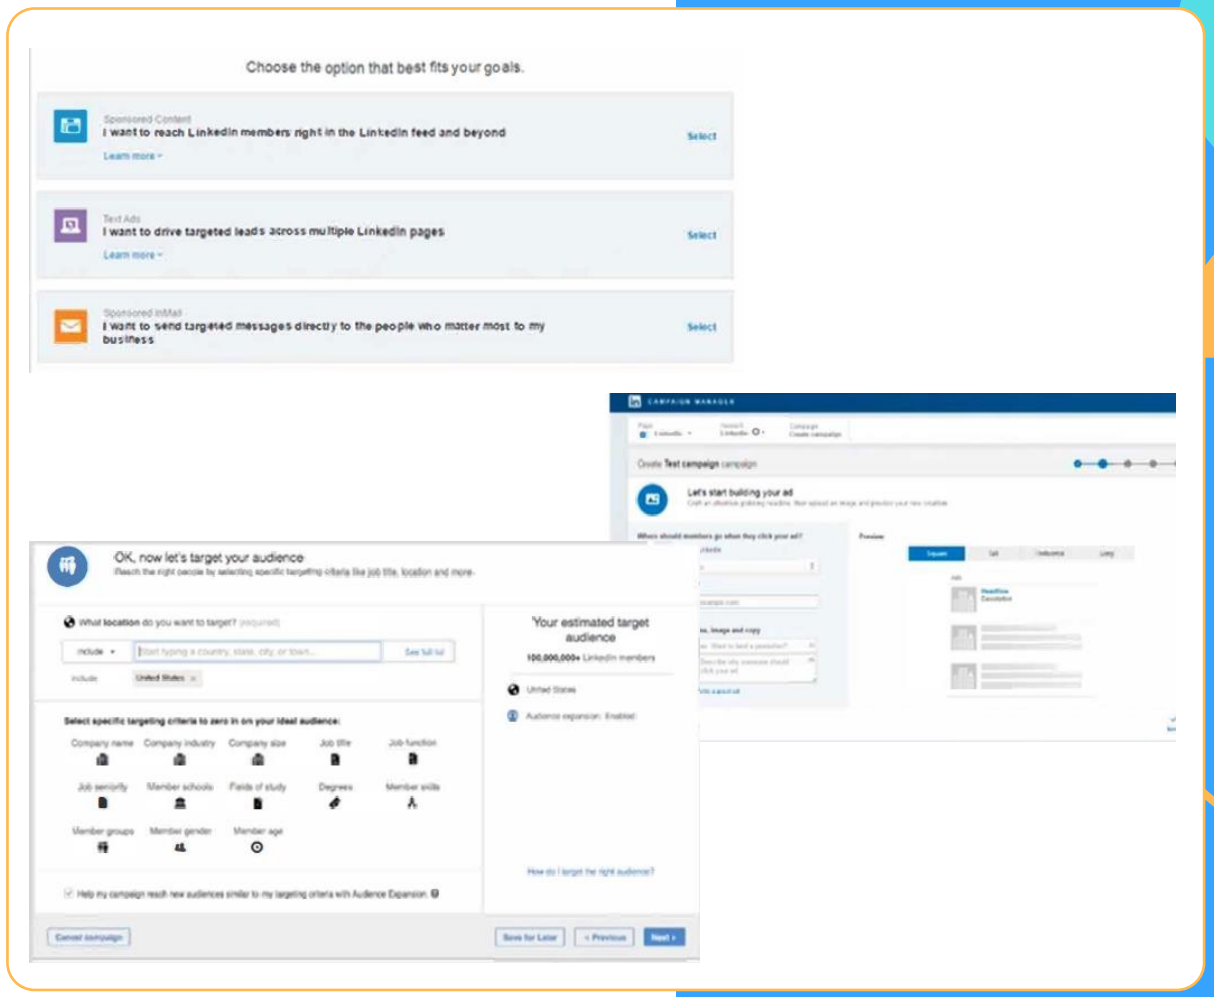
Text Ads

- Choose professional audience you want to reach
- Easy to do
- Set your budget
- Pay for ads that work
- Track your leads



How-To Advertising on LinkedIn

1. Choose your ad format: text ad, sponsored content or InMail
2. Three options for sponsored content: company update, showcase page or new post
3. Create the text
4. Target your ads
5. Set up your budget
6. Measure the campaign



Sponsored content

- Attract more people
- Reach the right audience
- Message out on every device
- Choose CPM or PPC
- Track your leads

Tips for Advertising on LinkedIn

- Create compelling content
  - Words that catch attention
  - Give people a reason to click (free trail, demo)
  - Strong CTA (Try, download, sign up)
  - Use relevant images
- Short, relevant, authentic and value orientated
- Target the right audience and think about it
- What your language and the bid (CPC or CPM)

Tips for Advertising on LinkedIn

Remember the limit

- LinkedIn text ad headline: 25 character limit
- LinkedIn text ad message body: 75 character limit
- LinkedIn direct sponsored content: 160 character limit

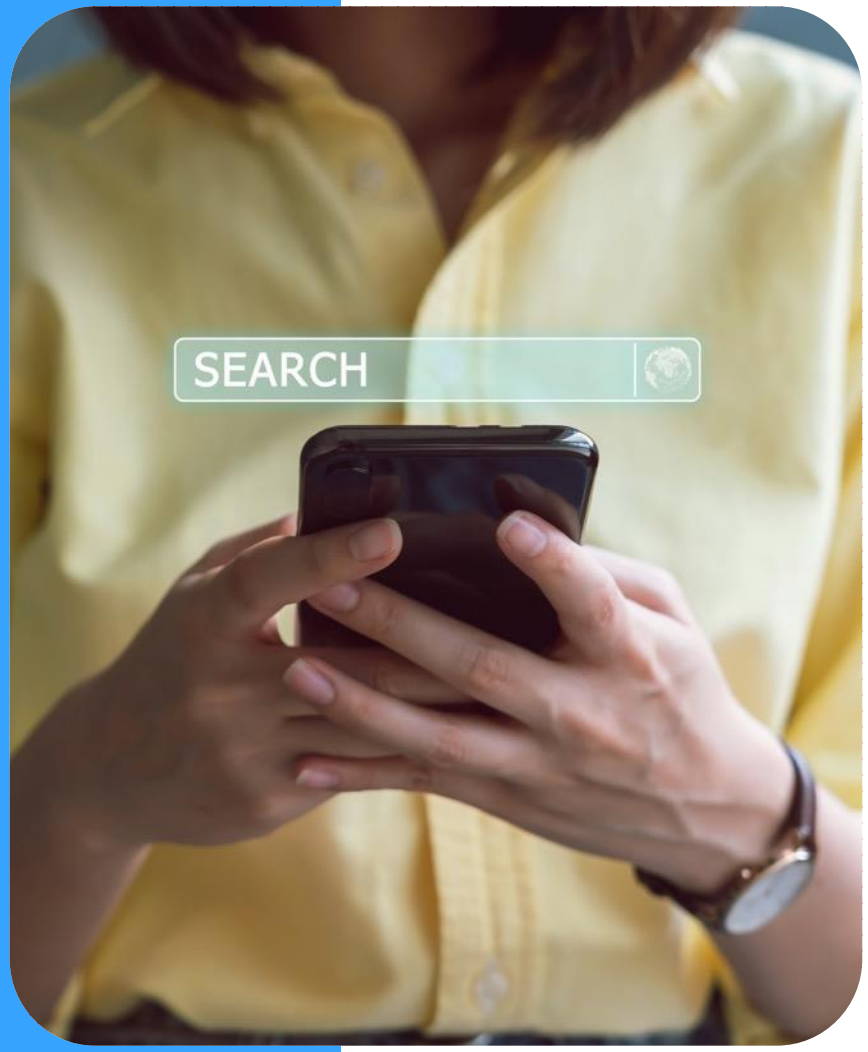
What matters on LinkedIn

Profile or Page?

B2B Marketing

What is they key difference between B2B and B2C?

- Who the audience is
- We need leads for B2B to succeed
- Where leads are sourced



B2B Content

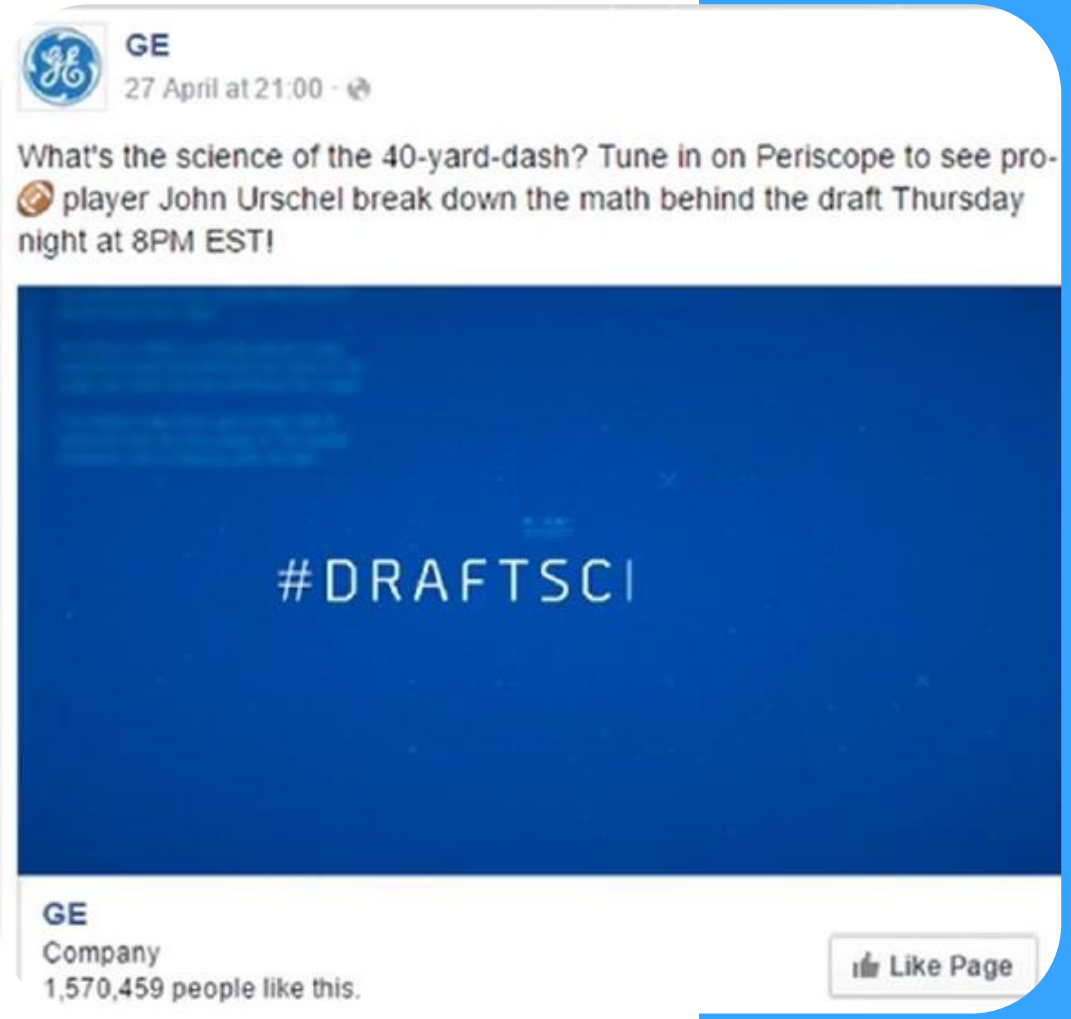
- How do we structure B2B content?
- How has the direction changed?
- How do our optimal posting times change?

B2B Content - organic

- Show authority through blogging
- Build trust through interviews

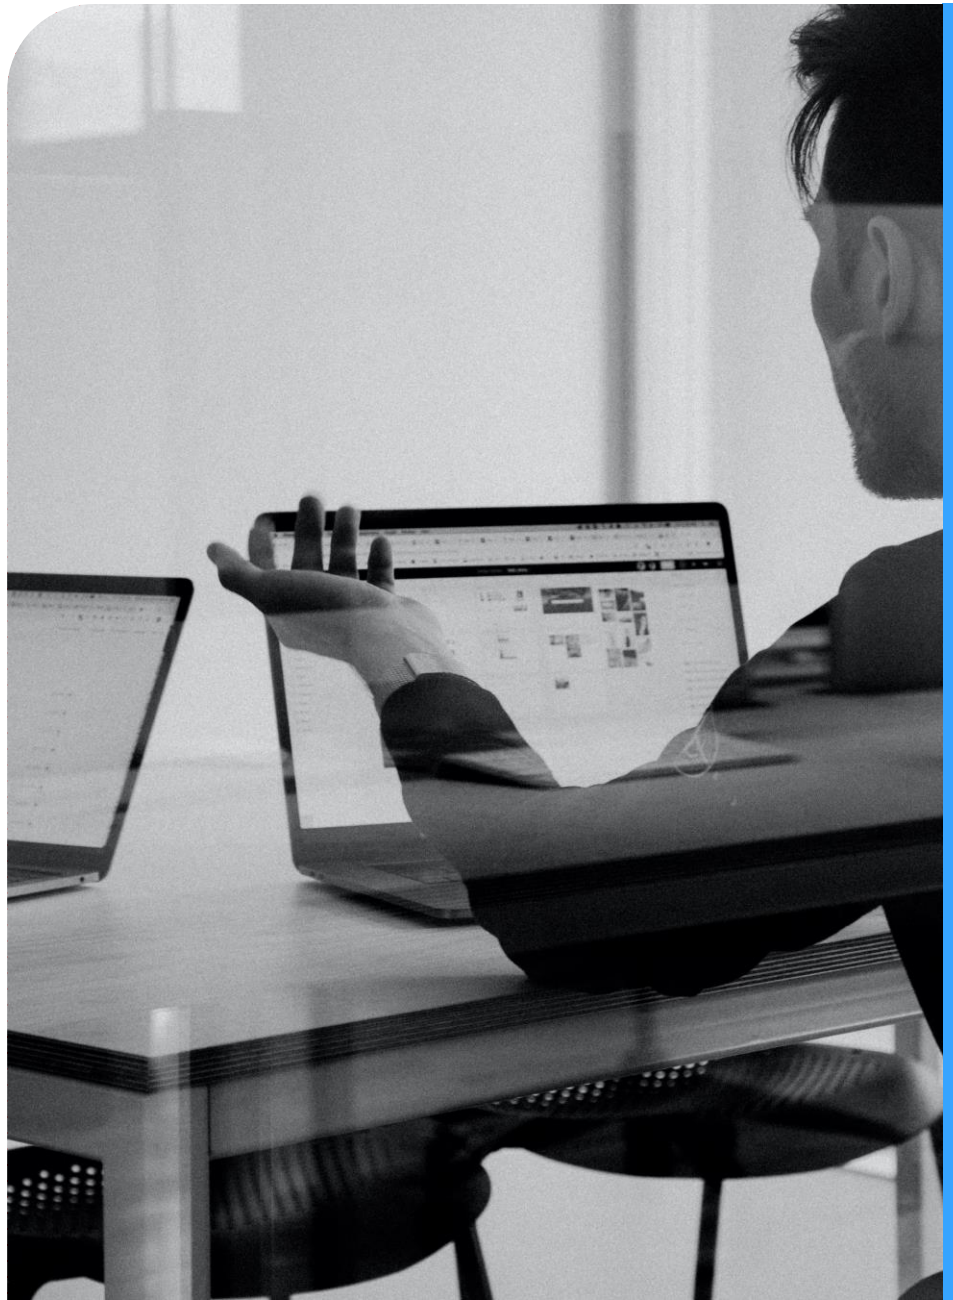
B2B Content – organic

- Cross platform content – video and interview
- Do emerging platforms have a place in B2B?



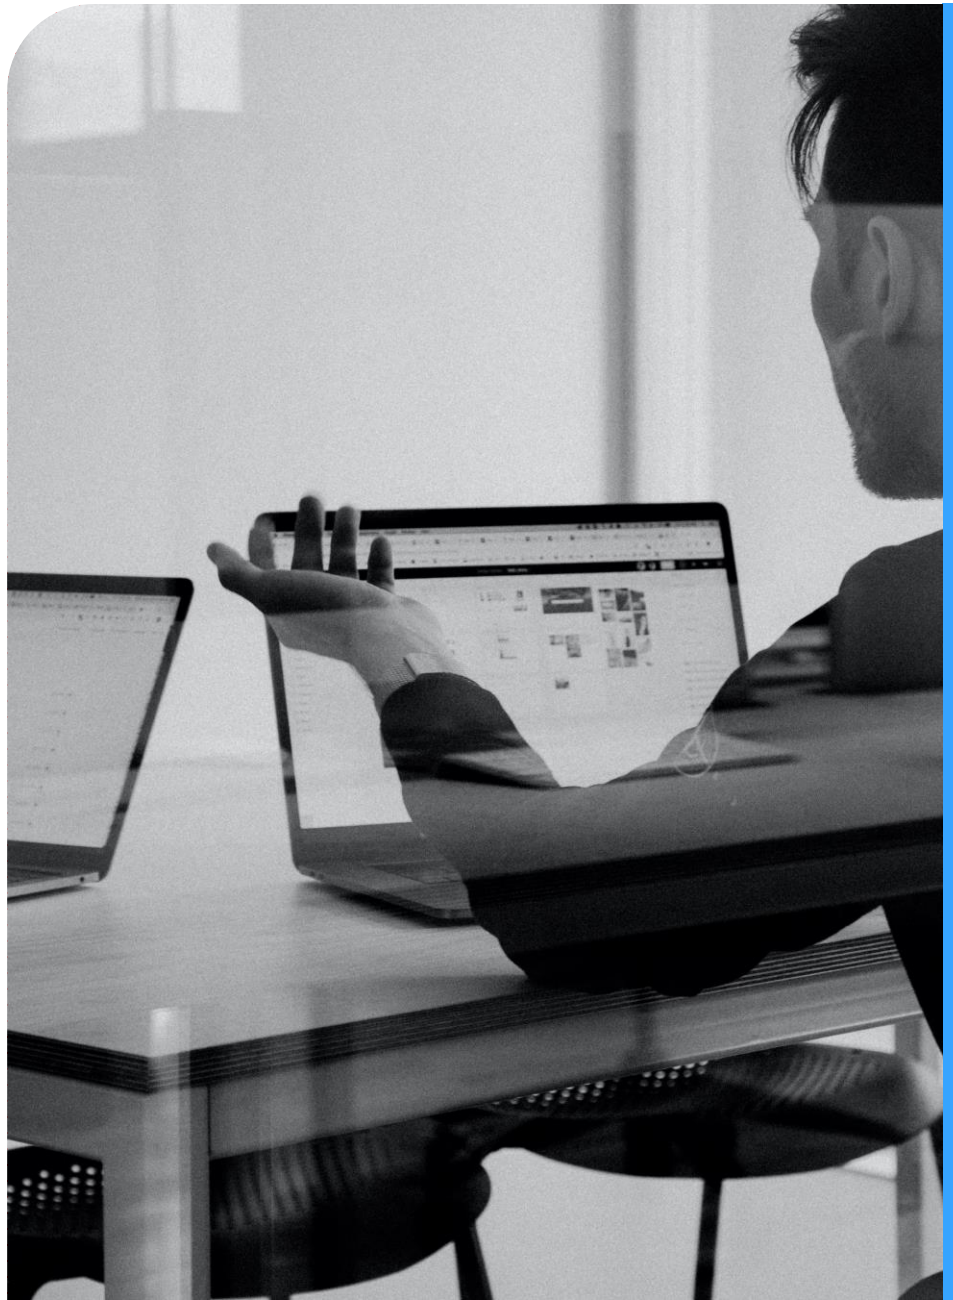
B2B Facebook

- What does organic content look like on Facebook?
- What engagement are we looking for?
- Structure of our page – consider a service



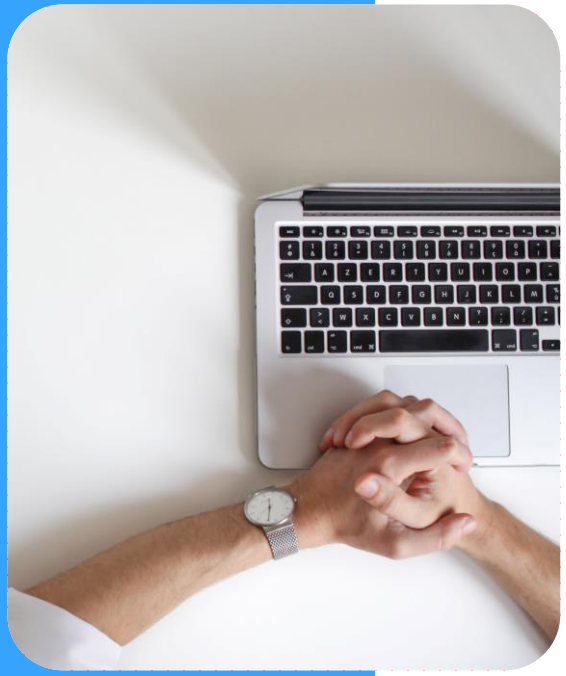
B2B Facebook

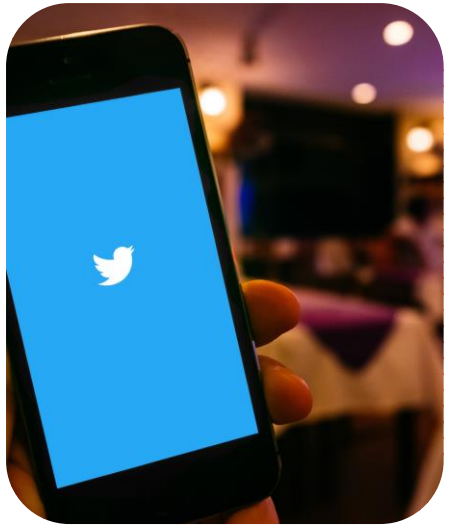
- Lead ads as a fundamental
- Wider marketing efforts
- What do we need to offer?



B2B Facebook Tips

- Strong understanding of your audience
- Global vs local
- Optimise your social profiles
- Call-to-Action
- Drive people to opt-in
- Connect through videos
- Ask questions and survey your audience





B2B Twitter

- How is your profile set up?
- How does your content differ?
- How does the nature of Twitter impact our approach?

B2B Twitter

- Structure of content
- Information
- Customer engagement

B2B Twitter Tips

- Give your brand some personality
- Listen before you Tweet
- Make a good impression
- Become the conversation starter and push it
- Drive traffic to your content
- Engage
- Establish your company as an authority

B2B YouTube

- Video content for B2B
- YouTube adveristing
- Can we tell a story?
- Can we review a product/service?
- Testimonials and interviews

B2B YouTube Tips

- Build brand recognition
- Product demonstrations
- Educational content that showcases various professional services
- Leveraging your expertise
- The first 15 seconds are crucial

B2B Instagram

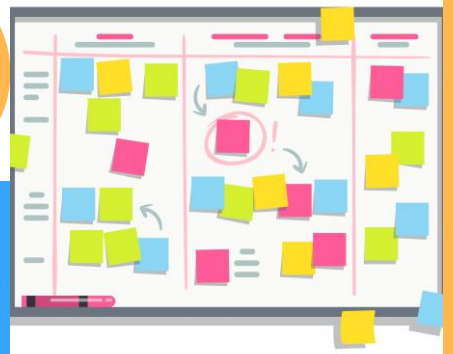
- Storytelling
- Connecting with customers
- Behind the scenes
- Descriptions are key

B2B Instagram Tips

- Share sneak peak photos about company updates
- Vids with quick demonstration
- Tell your company story
- Encourage click-through
- Actively engage
  - Mention other users
  - Search relevant accounts
  - Comment and like other peoples posts

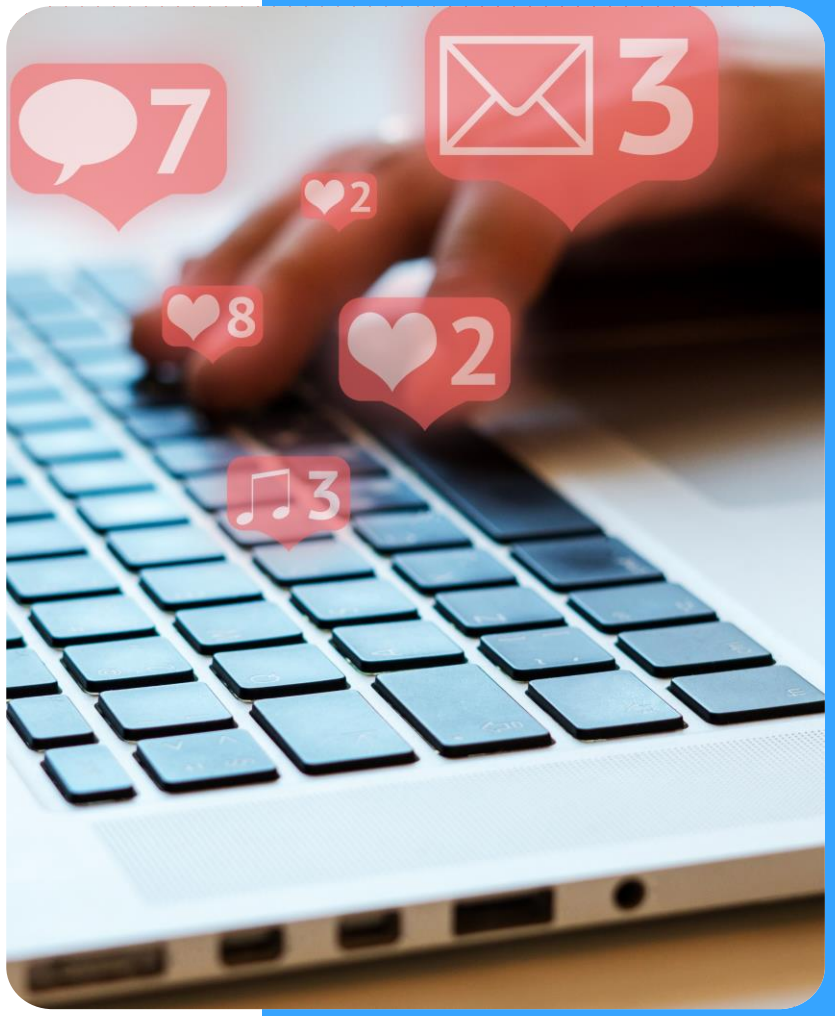
Strategy for B2B ads

- How often are we posting ads?
- What is our end goal?
- What else impacts our B2B social media?



Strategy for B2B

- What is important for B2B but not B2C?
  - Buyer personas
  - Content should still be shareable and relatable, with a professional tone in mind
  - Sales cycle
- How does engagement vary?
- How does our audience impact us?

Lesson summary


- LinkedIn for Marketing
- B2B for other social platforms
- Creating a B2B strategy
