In this lesson

This lesson provided a practical lead generation and advertising demonstration focussing on creating a lead generation and advertising campaign for Facebook and Instagram.

Facebook and Instagram lead generation

Campaign

- Starting from your Facebook page > click top right down arrow
- Choose 'Create Adverts' from the dropdown list
- This will direct you to your Facebook Adverts Manager
- Choose your marketing objective

Awareness	**Consideration**	**Conversion**
Brand awareness	Traffic	Conversions
Reach	Engagement	Product catalogue sales
	App installs	Store visits
	Video views	
	Lead generation	

- Add campaign name

Advert Account

- Set up an advert account
    - Complete
        - Account country
        - Currency
        - Time Zone
- Click continue

Advert set – page, audience, placements, budgeting and scheduling

- Check that Advert set name is correct
- Choose the Facebook Page that you want to promote
- Define your audience
    - Create custom audience
    - Create lookalike audience
    - Use a saved audience

Narrow your audience by looking at your Facebook audience insight.

- Add location
- Age range
- Languages
- Detailed targeting (hobbies, interests, behaviours
- Connections
- Set the placement
    - While you can choose automatic placement, we would actually recommend edit placements as you may want to create different content for the different platforms as you could be targeting two different audiences on the various platforms.
    - Keep all devices
    - Facebook only
- Budget and schedule
    - Daily budget (how much will be spent per day for the duration of the campaign dates) or lifetime budget (the total amount of ad spend for the duration of the campaign dates)
    - Add start and end dates for the campaign
    - If you choose lifetime budget – you will have to add the bid amount. We suggest you set this to automatic. You can also choose a schedule for when to run your ads – use this if you have previous insights into performing ads. Alternatively, select the run all the time option.
    - Delivery type you can select standard.
    - Click continue

Advert – pages, format, media, text, lead form

- Complete advert name
- Double check that the right Facebook page has been selected for the advert
- Choose a format that you would like to use
    - Carousel: allows you to create an advert with two or more scrollable images or video with links
    - Single image: create up to 6 adverts with one image each
    - Single video: create an advert with one video
    - Slideshow: create a looping video ad with up to 10 images
- Upload image
    - Image specs
        - Image size: 1 200 x 628 pixels
        - Image ratio: 1.91 : 1
        - Little to no overlay
- Add text
    - Text – tells people what you are promoting
    - Display link – displays the landing page link
    - Headline – directly under image and should be attention grabbing
    - News feed link description – expand on headline and convince people to click on CTA
    - CTA (Call-to-Action) – button that calls user to take action and is easily seen and accessible
